

Dear Jeff,

I would like to extend my enormous gratitude to you, Sandy, Debbie and all the staff at Premiere Marketing Group for creating our fabulous brochure. From Sandy Barrett's first sales call to my final conversation with you over the shipping charges, your company has handled our brochure project with great professionalism and caring friendliness. What a wonderful group you have to work with!

Slocum & Christian's brochure is drop-dead gorgeous! You made a book where the pictures tell the story, which is exactly what we wanted to show our perspective clients. I know that all of our sponsors will agree with me that you have created the most beautiful brochure on the island.

On behalf of John Slocum and Tom Christian, I would like to thank your entire staff for making this whole marketing project an easy and enjoyable process. Let's hope we can do another one in a few years.

All the best to you!

Judith Slocum
